

Short biography of Koichi Ito

Koichi Ito received the Ph.D degree from Tokyo Institute of Technology, Japan. He is currently a Professor Emeritus and Visiting Professor at the Center for Frontier Medical Engineering (CFME), Chiba University, Japan. He served as Deputy Vice-President for Research and Director of the CFME, Chiba University.

His main research interests include antennas for medical applications, research on evaluation of the interaction between electromagnetic fields and a human body by use of phantoms, and antenna systems for body-centric wireless communications.

Dr. Ito is a Fellow of URSI, a Life Fellow of IEEE, and a Fellow of IEICE, Japan. He served as an Associate Editor for the *IEEE Transactions on Antennas and Propagation*, an AdCom member for the IEEE AP-S, a Distinguished Lecturer for the IEEE AP-S, a member of the Board of Directors, the Bioelectromagnetics Society, a Delegate to the European Association on Antennas and Propagation, a Vice-President of the Japanese Society for Thermal Medicine, Vice-Chair of URSI Commission K and IEEE AP-S President for 2019. He currently serves as Chair of URSI Commission K and an IEEE AP-S AdCom member as a past president.

He is the recipient of the 2020 Balthasar van der Pol Gold Medal from URSI.
